We are happy with the school and with his teacher who supports our son well and the school staff. The school looks after our son well. It is perfect! The school offers every boy the support they need to reach their potential. This does require parents and boys to offer the same dedication. Cannot thank them enough for giving our son the opportunity. My son has shown more progress in the short space of time he has been at this school than ever, he is also happy to go to school now. Our child has only attended this school for a short time so far. We are very happy with the school and very</p>
