

Hope View School

Public Examinations 2023

It is our aim that every pupil leaves Hope View School with a qualification of some description which will be of use to them in the future. We offer a wide range of qualifications to suit all abilities.

Key Stage 2 & 3

Years 3, 4, 5, 6, 7, 8, 9

Pupils will be assessed according to National Curriculum levels.

Opportunities exist for accreditation in Unit Awards for some subjects.

Key Stage 4 & 5

Year 10,11, 12 & 13

Entry Level Certificate qualifications

GCSE qualifications.

Unit Award Scheme

Function Skills qualifications

Duke Of Edinburgh Award Scheme

Level 1 & 2 Diplomas delivered by outside providers

A pupil's suitability for a course will be determined by their prior attainment, targets relating to provision map and each pupil's individual interests, needs and capability.

At Key Stage 4 and 5 pupils entry for examinations will be dependent upon a pupil's level of ability and providing the requirements of the examination course have been completed successfully.

The following exemptions apply to entry for examinations:

- If the parents/carers of the pupil concerned make a request in writing for their child not to be entered.
- If the Headteacher and Subject Leader choose not to enter the pupil on educational grounds. Parents/carers of pupils not being entered for an examination will be informed.

If, after an entry has been made and approved by the parents/carers, a pupil fails to arrive for an examination or is withdrawn on educational grounds (i.e. insufficient coursework) then the parents/carers are liable for the fee. Illness on the day of the examination supported by a doctor's note removes the liability.

Policy Review Date: August 2024
