It has long been established that the most effective way of enabling pupils to behave properly is by positive reinforcement. By praising and rewarding positive behaviour, others will be encouraged to act similarly. Pupils should always be praised for good and considerate behaviour. Praise will be given by:

- Frequent use of encouraging language and gesture including thanking a pupil who has worked hard, helped out etc.
- Class teachers acknowledging a pupil's willingness to behave well or work hard by giving stickers/ house points / raffle tickets.
- Showing good work to the Head Teacher and other members of staff who will give stickers / house points / raffle tickets.
- The staff will share with parents the pupil's achievement and good behaviour
- Rewarding pupils each week via Pupil of the Week Awards. As well as at the end of term through the school's Behaviour Points System and subject based certificates. This is communicated to pupils via whole school assemblies and a Termly Awards Display Board.
- Certificates for progress in reading and numeracy.
- House Points can be awarded for house events, good work and any other work related activities where staff feel that this is an appropriate rewards. These points contribute towards the House Cup which is awarded at the end of year Awards Ceremony to the House with the most points.
- At the end of the school year through the Awards Ceremony for attendance, subjects specific progress including reading, writing, numeracy etc.
- Occasionally monetary, voucher or prize rewards will be given. Parental consent is sought when a pupil joins the school for this type of reward.
- Staff may reward pupils with sweets or a favourite type of food or visit to the local café as long as parents/carers have given permission.

- Through off site visits. This can be organised in advance or can be on the spur of the moment and may include a visit to the local shops so that a pupil can be rewarded through the purchase of an appropriate item of his choice.

### **Behaviour Points System**

Pupils are awarded points on a daily basis from the time they arrive to when they leave at the end of the school days. Points are awarded for good behaviour including, staying in seat during lessons, not speaking at inappropriate times, behaving well during lunch and break times and generally throughout the school day. A maximum of 4 points can be awarded for each session with the expected pass mark being 3 points. At the end of each week points are totalled up and feedback is given to all pupils, by either form tutors, Pastoral Support Manager and Lower School Lead Teaching Assistant during behaviour management or arrival and assembly time. There is a set pass mark each week which pupils are expected to reach. Sanctions may be awarded when a pupil has consistently behaved poorly; equally rewards are given for high levels of performance. At the end of each term, the three pupils with the highest number of points over the term, receive a voucher.

### **Sanctions**

Disciplinary sanctions are actions which aim to make clear the boundaries of acceptable behaviour to the pupil and the school community. Sanctions are never cumulative and must never humiliate the child. They are designed in such a way that the children learn from their mistakes and understand the consequence of their actions.

At Hope View School sanctions will be imposed for the following:

- Uncooperative behaviour
- Biting, spitting, hitting and kicking, pushing etc.
- Foul language and swearing
- Making unkind remarks
- Damaging property
- Answering back, rudeness or aggression to adults in the school
- Untruthful statements
- Stealing
- Racist, homophobic and sexist comments
- Bullying
- Anti-social behaviour

Unacceptable behaviour is not tolerated in any form. Every incident is investigated immediately; where there is a victim he is given support.

Hope View School ensures that all sanctions are fair and proportionate to the circumstances and the case. Staff will take into account the pupils' individual needs and circumstances when applying the school's sanctions policy; for example:

- special educational needs,
- language and cultural differences which could be wrongly perceived as insolence
- Pupils with emotional difficulties due to family circumstances.

The school's range of sanctions is listed below. However, it should be borne in mind that the school's positive expectations of pupils place a strong emphasis on encouragement and expecting positive and co-operative behaviour; the co-operation of parents/carers will be sought to modify poor behaviour.

The aim is for Hope View pupils to live and work in a happy, friendly and courteous atmosphere. The discipline of the school is intended to support its pupils so that they are able to learn without distraction or interference. The school recognises discipline as important and necessary. Criticism and punishment will be directed towards the act of misbehaviour or failure to meet requirements rather than implied condemnation of a pupil. The pupil will be encouraged to work on targets for improvement.

### **Reprimand**

Staff may give a quiet, succinct reminder of agreed standards, or a clear explanation, leaving the pupil with an understanding of the standards expected.

### **Pupil Sanction**

Even a short sanction during break or lunch break can establish a teacher's authority and make the point clear to a pupil; it is a direct and immediate technique. A sanction at break or lunch break can will be a minimum of 5 minutes increasing to a maximum of 20 minutes.

Pupil sanctions can be used as an opportunity to converse with the pupil and re-establish a working relationship.

### **After School Pupil Sanction**

Parents/Carers will be contacted to seek permission for the pupil to remain after school for one hour to complete a detention. After pupil sanctions must only be set after consultation with a member of senior staff and where pupil sanctions have been tried on at least two previous occasions.

### **Removal of Privileges**

Certain privileges are afforded pupils. These can be withdrawn as part of the sanctions system.

### **Rural Studies**

A pupil can be placed on the Rural Studies programme for the day. This involves going for a walk in the local area with the Pastoral Support Manager or Lower School Lead Teaching

Assistant and is an opportunity to discuss and reflect upon negative behaviour away from the school site.

### **Referral to Senior Leadership**

Pupil can be referred to a member of the Senior Leadership Team and placed On Report to monitor behaviour or performance for a specified time period, this can be under the supervision of the senior leader particularly if the pupil's behaviour is disruptive to the learning of others.

### **Behaviour Contract**

If it becomes clear that the aforementioned sanctions are not proving successful a member of the Senior Leadership Team may decide to place the pupil on a Behaviour Contract. This involves a meeting with parents/carers where targets are set to support the pupil in working towards improving their behaviour. The pupil is placed on Red Report and is allocated a mentor (usually a teaching assistant who teacher with whom they share a positive relationship) who will meet with them twice daily to review their report. The mentor makes a daily telephone call to report on progress. Meetings are convened either fortnightly or monthly to review the pupil's progress with a view to them finally meeting targets and being taken off the contract.

### **Parental Contact**

If there is a continuing issue with a pupil's behaviour, parents/carers will be invited into school to discuss strategies to support the pupil and school in order to bring about the required change.

### **Exclusion**

Persistent negative behaviour or physical aggression/violence towards adults or other pupils will not be tolerated and exclusion may need to be awarded in line with the school's Exclusion Policy.

### **The Use of Reasonable Force**

All staff are trained to use appropriate methods of reasonable force in order to prevent a pupil from doing or continuing to do any of the following:

- Committing a criminal offence
- Injuring themselves or others
- Causing damage to property (including their own)
- Engaging in behaviour prejudicial to maintaining good order and discipline at the school.

The staff of Hope View School will endeavour to use other methods to resolve situations before resorting to physical intervention.

### **Confiscation of the Pupil's Property**

Occasionally pupils will bring to school inappropriate items which do not lend themselves to maintaining an environment conducive to learning, or pose a risk to themselves or others. These will be removed from the pupil and returned to the parent via the taxi driver at the end of the school day with a verbal reminder that the item is not to be brought into school.

**Recording of Sanctions and Rewards:**

Sanctions for Serious Misbehaviour and information relating to significant rewards are recorded on the school's Management Information System (MIS) and parents/carers informed at the end of the school day.
